

PROPOSED INTER-AGENCY OPERATING PROCEDURE

SUBJECT: Conferences with United States Government Officials Returning  
from Abroad

AGENCIES PARTICIPATING IN THIS AGREEMENT:

Central Intelligence Agency  
Department of State  
Department of the Army  
Department of the Navy  
Department of the Air Force

Conferences with United States Government officials returning to the United States from areas which are of significant intelligence interest constitute a valuable source of information for intelligence purposes and may be of great assistance to intelligence specialists by virtue of the opportunity such conferences provide to secure from such officials their personal and uninhibited views and opinions. In order to free such officials from the unnecessary burden of repeating their remarks to successive groups of intelligence specialists, it is agreed that the initial inter-agency intelligence conference will be conducted under the auspices of the Central Intelligence Agency for the benefit of all agencies participating in this agreement. To clarify and standardize certain principles governing the scheduling and conduct of such conferences, the following operating procedures and allocation of responsibilities are agreed upon:

1. The intelligence organizations of the Departments of State, the Army, the Navy, and the Air Force will inform CIA of officials of their departments who pass through the Washington area after service or official travel in foreign areas which are of significant intelligence interest. CIA will keep

itself informed, through established liaison channels, of officials of other departments and agencies of the US Government who return to Washington from such areas.

2. Conferences with selected officials will be scheduled in accordance with the following provisions:

(a) the scheduling will be done by CIA through the intelligence organizations of the Departments of State, the Army, the Navy, or the Air Force for officials of these Departments; and by CIA through established liaison channels for officials of other departments and agencies of the US Government.

(b) These conferences will be scheduled at a time and place agreeable both to CIA and to the Department or Agency concerned.

(c) Due notification of scheduled conferences will be given by CIA to the intelligence organizations of the Department of State, the Army, the Navy, and the Air Force, in order that qualified intelligence specialists of these organizations may participate therein, within the limits of available facilities.

(d) CIA will provide suitable facilities for such conferences.

(e) CIA will provide transportation facilities and other appropriate courtesies for the official participating therein.

(f) CIA will be responsible for the conduct of such conferences.

3. These conferences are for the benefit of the intelligence specialists having direct interest in the areas and subjects to be discussed. All those attending should be prepared to question the officials from a

specialized intelligence viewpoint, since such conferences are not meant for general orientation or passive participation. The need-to-know principle should govern the selection of those designated to attend such conferences.

4. Intelligence specialists who are not able to attend the conferences, or who do not wish to present their questions orally, may submit them to the presiding officer either before or during the meeting. Questions so submitted should bear the name and organization of the intelligence specialist submitting them.

5. Because of the informality of such conferences, special security precautions are essential. All of those whose names are submitted for attendance must have been cleared for TOP SECRET by their respective intelligence organizations, and should know in advance of the substance of the attached Security Agreement, a copy of which they will be asked to sign before each conference.

6. CIA is responsible for interviewing United States Government officials returning from abroad who do not pass through the Washington area. CIA will do this in the interests of and according to requirements submitted by the intelligence organizations of the Departments of State, the Army, the Navy, and the Air Force, under the provisions of NSCID-7 ~~for individuals who are not in the United States Government.~~
